

ENROLLMENT DOCUMENTS REQUIRED FOR NEW STUDENTS 2018-2019

The primary parent/guardian who lives in the Oak Grove R-VI School District must be present when a student enrolls. Most of the enrollment/registration process will be completed online. Computers will be available at the schools.

Kindergarten and students transferring from other schools should bring the following documents to enrollment:

- Certified Birth Certificate
- Immunization Record
- Proof of Residency
- Proof of Custody for minor child, if applicable (example: Divorce Decree)

Proof of Residency (Required Annually):

Parents are required to show proof of residency annually, even if they attended summer school, to verify that they live within the Oak Grove School District. Students must reside with parent or a "court appointed legal guardian" living within the boundaries of Oak Grove School District. One of the following items must be presented at the time of enrollment by the parent or legal guardian.

1. Current utility bill: gas, electric or water only less than 30 days old in the name of parent/guardian (no disconnect notices, no cell phone bills)
2. Rental/Lease Contract (signed by landlord and dated within the past year)
3. Mortgage Contract (signed by mortgage company and dated within the past year)

Age/Birth Certificate:

Age must be verified by a Certified Birth Certificate, not a hospital birth record. By law students may enroll for school if their birthdates occur in the following manner:

- Kindergarten students must be five (5) years of age BEFORE August 1.
- First grade students must be six (6) years of age BEFORE August 1.

Immunization:

According to Missouri statute, it is unlawful for any student to attend school unless he/she has been immunized as required under the rules and regulations of the Division of Health of the Department of Public Health and Welfare, and can provide satisfactory evidence of such immunization. It is unlawful for any parent or guardian to refuse or neglect to have his/her child immunized, as required by this section, unless the child is properly exempted.
